Dear Sir:

The FR 2 717 905 reference, which is cited in an Information Disclosure Statement by Applicant filed contemporaneously with this Statement, is being supplied in a language other than in English. The relevancy of the foreign language reference is identified by the European Patent Office in a corresponding International Patent Cooperation Treaty Application (copy of which is attached hereto) as an "A" reference relevant to claims 1,10 meaning it is a "document defining the general state of the art which is not considered to be of particular relevance".

Respectfully submitted,
